PROFESSIONAL PEELS

Professional peel treatments accelerate the skin's natural exfoliation process providing you with refreshed, revitalised skin. Ultraceuticals peels have been designed to treat and visibly improve all skin conditions through their peels including: fine lines and wrinkles, pigmentation and sun damage, clogged pores, acne and tired lifeless skin.

Note - Ultraceuticals Even Skintone Serum must be purchased and used for 2 weeks prior to peel to prepare the skin for a professional peel.

* Anti-Ageing Peel (45 min) This peel procedure works on fine lines, skin revitalisation and uneven skin tone, while maintaining the skin's moisture levels. Course of 6	\$75.00 \$375.00
* Acne & Problematic Skin Peel (45 min) This peel procedure is exceptional for problematic and acne skin and works by retexturising the surface of the skin. Course of 6	\$95.00 \$475.00
* Pigmentation Peel (45 min) This peel procedure is designed to minimise hyperpigmenting and uneven textured skin by gently exfoliating and helping to improve skin discolouration. Course of 6	\$95.00 \$475.00
